THIBODAUX –

In an effort to combat distracted driving, Lafourche Parish District Attorney Cam Morvant will be at local area high schools to present "The Domino Effect". This program for high school seniors, is designed to illustrate the far reaching consequences associated with impaired/distracted driving. The Domino Effect will be presented as follows:

E.D. White Catholic High	Wednesday, March 15 at 8:30 a.m.
South Lafourche High	Thursday, March 23 at 10:15 a.m.
Central Lafourche High	Tuesday, March 28 at 10:15 a.m.

\*Thibodaux High is in the process of repairing its auditorium so we are hopeful that we will be able to do a presentation there prior to the seniors' last day in May.
